

How do I get the NHL app and register for *MyRogers*?

1. Visit rogers.com/nhl and click on **Learn More**.
2. Register your *MyRogers*™ account and sign in using your *MyRogers* username and password.
3. Download the NHL app to get access to **Rogers NHL GameCentre LIVE™**:
 - a. Click on the Apple App Store or Google Play Store to download the app or go to your app store on your device and search "NHL" or "Rogers NHL".
 - b. Download the NHL app (published by NHL Interactive Cyberenterprises).

HOW TO START LIVE STREAMING GAMES

Apple iPhone

1. Select the **Scores** tab on the main menu bar at the bottom of the screen.
2. Pick the game/broadcast you want to watch.
3. Select the **Watch** icon to start watching.
4. After 5 minutes, you will see a pop-up prompting you to sign in.
5. Sign in with your *MyRogers* login to continue watching the live stream. You will only be prompted to sign in with your *MyRogers* login the first time you access the live stream.

Apple iPad

1. Select the **Main Menu** button at the top left of the screen.
2. Select the **Games** or **Schedule** tab from the menu.
3. Pick the game/broadcast you want to watch at the top of the screen.
4. Select the **Watch** icon to start watching.
5. After 5 minutes, you will see a pop-up prompting you to sign in.
6. Sign in with your *MyRogers* login to continue watching the live stream. You will only be prompted to sign in with your *MyRogers* login the first time you access the live stream.

Android Phone/Tablet

1. Select the main menu icon at the top left of the screen.
2. Select the **Scores** tab from the menu.
3. Pick the game/broadcast you want to watch.
4. Select the **Watch** icon to start watching.
5. After 5 minutes, you will see a pop-up prompting you to sign in.
6. Sign in with your *MyRogers* login to continue watching the live stream. You will only be prompted to sign in with your *MyRogers* login the first time you access the live stream.

Desktop

1. If you haven't already registered or created your *MyRogers* login, please visit rogers.com/nhl
2. Pick the game/broadcast you want to watch from the live scoreboard at the top of the nhl.com website.
3. Select the **Watch** icon to start watching.
4. After 5 minutes, you will see a pop-up prompting you to sign in.

5. Sign in with your *MyRogers* login to continue watching the live stream – you will only be prompted to sign in with your *MyRogers* login the first time you access the live stream.

HOW TO ACCESS GAMEPLUS FEATURES IN ROGERS NHL GAMECENTRE LIVE™

Look for the GamePlus™ icon while streaming live games/broadcasts and browsing on-demand video. Please note: GamePlus availability varies by game.

How to access GamePlus camera angles while streaming games on Apple & Android smartphones/tablets

1. When watching a live game, click on the GamePlus logo at the top-right of the video player and select a GamePlus camera angle from those available.
2. If you haven't already logged in with your *MyRogers* login, you will be prompted to sign in to live stream the camera angles available for that game. You will only be prompted to sign in with your *MyRogers* login the first time you access the live stream.

How to access GamePlus VOD Insider Extras and VOD Post-Game Interviews content on Apple & Android smartphones/tablets

1. Click on the **Videos** tab on the main menu bar.
2. Click on the dropdown menu at the top of the screen.
3. Select the GamePlus option.
3. If you haven't already logged in with your *MyRogers* login, you will be prompted to sign in to access VOD Insider Extras and VOD Post-Game Interviews content. You will only be prompted to sign in with your *MyRogers* login the first time.

How to access MyReplay on Apple iPhone/Android Smartphones & Tablets

Please note: MyReplay is available for games featuring the GamePlus logo.

1. When live streaming a game, tap on the GamePlus logo, and then tap on **MyReplay**.
2. Choose your play, then select among the camera angle options to view the replay. You can watch the same play from any of the camera angle options available.
3. If you haven't already logged in with your *MyRogers* login, you will be prompted to sign in to access MyReplay. You will only be prompted to sign in with your *MyRogers* login the first time.

How to access MyReplay on Apple iPad

Please note: MyReplay is available for games featuring the GamePlus logo.

1. When live streaming a game, tap on the GamePlus logo, and then tap on **MyReplay**.
2. Choose your play, then select among the camera angle options to view the replay. You can watch the same play from any of the camera angle options available.
3. If you haven't already logged in with your *MyRogers* login, you will be prompted to sign in to access MyReplay. You will only be prompted to sign in with your *MyRogers* login the first time.

How to access GamePlus camera angles on your desktop while streaming the game:

1. When live streaming a game, click on the 'Team v. Team' matchup title inside the viewing screen at the bottom of the video player.
2. Select a GamePlus camera angle from those available from the pop-up rink image.
